### EDUCATION

- 2020 - 2023  
NGEE ANN POLYTECHNIC
- Diploma in Immersive Media

- 2019 - 2020  
ITE COLLEGE WEST
- Higher Nitec in Security System Intergration

### SKILLS

- Project Management
- Fast Learner
- Teamwork
- Software Development
- Ability to Work Under Pressure
- Effective Communication
- Critical Thinking

### LANGUAGES

- English (Fluent)
- Chinese (Fluent)

### PROFILE

Passionate and creative Software Engineer currently with experience in building responsive, user-focused web applications using React and JavaScript. Skilled in HTML, CSS, Git, and Agile development practices. Background in immersive media brings a unique blend of design sense and technical execution. Actively engaged in continuous learning through side projects and tech exploration, preparing to contribute to dynamic, collaborative engineering teams

### WORK EXPERIENCE

- **GoodHoodSG** 2022-2023  
Software Engineer
  - Developed responsive web applications using React and JavaScript, improving user engagement.
  - Collaborated with cross-functional teams to gather requirements and deliver effective software solutions.
  - Utilized version control systems like Git to manage code effectively and maintain project organization.
  - Participated in code reviews, enhancing code quality and team productivity.
- **NEC Asia Pacific** 2019-2020  
IT Tech Support
  - Delivered on-site technical support, maintaining critical biometric and security systems
  - Configured and maintained IRIS cameras for identity verification processes.
  - Monitor brand consistency across marketing channels and materials.
  - Performed system updates and software upgrades to ensure operational efficiency and compliance
  - Diagnosed and resolved technical issues swiftly to minimize service disruptions
